- S - Interference 60 seconds
- M - Marker 60 seconds

Guaranteed Entry

GUARANTEED ENTRY POLICY

The most competitive 25% of each class of boat (singles, doubles, fours, and eights) taken as a whole, will be offered guaranteed entry into next year's Regatta, provided all conditions of eligibility, deadlines, and entry fees are met. This works out to 80 single scullers, 18 doubles, 55 fours, and 55 eights. "Competitiveness" for these purposes is determined by calculating the ratio of each entrant's time (vets adjusted) to that of the winner of the event-division in which the entrant competed. This ratio is reflected in the figure appearing between each entrant's time and Bow No. Consequently, the number of guaranteed entries will vary from event-division to event-division, depending on the competitiveness of the entrants in the various event-divisions this year. On that basis, it turns out that for next year's Regatta, guaranteed entry will be offered to singles which finished within 5.21% of the winner's time (vets adjusted) in their particular event-division last year, to doubles that finished within 6.1%, to fours that finished within 5.25%, and to eights that finished within 4.82%. Note that youth-club scullers, lightweight doubles, and masters fours are not treated as distinct event-divisions.
