FIFTH ANNUAL HEAD OF THE CHARLES REGATTA

sponsored by the Cambridge Boat Club

Charles River, Massachusetts

Course Distance: $2\frac{1}{3}$ miles upstream

The Annual Head of the Charles Regatta sponsored by the Cambridge Boat Club is patterned after the many English "Head of The River" races. These make use of a tortuous course which not only puts the coxswain's steering to test but allows greater distances to challenge the oarsmen's endurance. By eliminating the need for qualifying races, head races also allow many more boats to compete in a given amount of time.

Although the contestants are rowing against time, spectators are witness to keen competition between boats which take running starts only 10 seconds apart. Boats are numbered consecutively so that it is easy to see their relative positions in each event. To minimize overlapping events at the finish, each event is started 15 to 20 minutes apart.

SPECTATORS, the best place to watch the Regatta is at the finish line where the progress of each event on the river and the unofficial order of finish will be announced by loudspeakers. For spectators farther down the course, the river banks between Western Avenue and Boylston Street provide good vantage points near the two mile mark. After the regatta, race information will be broadcast over WCAS Radio, 740 AM. We thank the Schaefer Brewing Company and Friends of the regatta in Cambridge and the greater Boston community who have made this Regatta possible.

NOTICE: Each shell in this Regatta will be timed over the $2\frac{1}{3}$ mile Race Course by two entirely separate timing systems. Bulova split-second precision stop-watches will record immediate times, which will be *unofficial* and will be posted at Regatta Headquarters (Cambridge Boat Club) after each Event. A photo-timer will simultaneously record the *official* times, verifiable to $1/100$ th of a second, on film, and such times will be announced to the public and press within 24 hours after the finish of the Regatta. The presentation of medals and trophies will await the announcement of such *official* times.

Jerry Olrich and
Veteran Scullers
warming up.

1

12:00 NOON

Handicap: Six seconds per year of age (at nearest Birthday) over 40.
