17. Elite Eights	Red Bow Markers with White Numbers	73 thru 95	4:15 PM
	1971 UNION BOAT CLUB	14:53.4	80

Paul Revere Point Trophy Scoring System

After each event, points will be awarded to represented organizations for each finishing entry on the following basis:

$$\frac{P(E+1-F)}{ER}$$

Key:

P = points assigned to the event

E = number of entries finishing the race

F = finishing place of the entry

R = finishing place of that entry relative to entries from same organization in that event

TROPHIES MAY BE WON BY INDIVIDUAL CLUBS, SCHOOLS AND COLLEGES.
MIXED ENTRIES (REPRESENTING MORE THAN ONE ORGANIZATION) MAY
WIN MEDALS ONLY.

PRINCETON TROPHY IS AWARDED TO THE FASTEST SCHOOLBOY EIGHT
IN THE REGATTA

THE TENTH ANNUAL HEAD OF THE CHARLES REGATTA

Sponsored by the Cambridge Boat Club, Charles River, Massachusetts
Course Distance: 3 miles upstream

THE ANNUAL HEAD OF THE CHARLES REGATTA SPONSORED BY THE CAMBRIDGE BOAT CLUB IS PATTERNED AFTER THE MANY ENGLISH "HEAD OF THE RIVER" RACES. THESE MAKE USE OF A TORTUOUS COURSE WHICH NOT ONLY PUTS THE COXSWAIN'S STEERING TO TEST BUT ALLOWS GREATER DISTANCES TO CHALLENGE THE OARSMEN'S ENDURANCE. BY ELIMINATING THE NEED FOR QUALIFYING RACES, HEAD RACES ALSO ALLOW MANY MORE BOATS TO COMPETE IN A GIVEN AMOUNT OF TIME.

ALTHOUGH THE CONTESTANTS ARE ROWING AGAINST TIME, SPECTATORS ARE WITNESS TO KEEN COMPETITION BETWEEN BOATS WHICH TAKE RUNNING STARTS ONLY 10 SECONDS APART. BOATS ARE NUMBERED CONSECUTIVELY SO THAT IT IS EASY TO SEE THEIR RELATIVE POSITIONS IN EACH EVENT. TO MINIMIZE OVERLAPPING EVENTS AT THE FINISH, EACH EVENT IS STARTED 15 TO 20 MINUTES APART. NOTE THAT EACH BOAT IS IDENTIFIED BY A BOW MARKER WHICH CORRESPONDS TO ITS NUMBER IN THE PROGRAM.

SPECTATORS, THE BEST PLACE TO WATCH THE REGATTA IS AT THE FINISH LINE WHERE THE PROGRESS OF EACH EVENT ON THE RIVER AND THE UNOFFICIAL ORDER OF FINISH WILL BE ANNOUNCED BY LOUDSPEAKERS. FOR SPECTATORS FARTHER DOWN THE COURSE, THE RIVER BANKS BETWEEN WESTERN AVENUE AND BOYLSTON STREET PROVIDE GOOD VANTAGE POINTS NEAR THE TWO MILE MARK.

THE REGATTA COMMITTEE WISHES TO EXTEND ITS SINCERE THANKS TO THE BOSTON GLOBE, FIRST DATA CORPORATION AND SCHAEFER BREWERIES FOR THEIR CONTINUING SUPPORT AND TO FRIENDS OF THE REGATTA IN CAMBRIDGE AND THE GREATER BOSTON COMMUNITY WHO HAVE MADE THIS REGATTA POSSIBLE.

TIMING, EACH SHELL IN THIS REGATTA WILL BE TIMED OVER THE RACE COURSE BY TWO DISTINCT AND SEPARATE TIMING SYSTEMS. THE PRIMARY SYSTEM ENTAILS THE TIMING (TO 1/10 OF A SECOND) BY COMPUTER TERMINALS LOCATED AT THE STARTING LINE AND AT THE FINISH LINE. THESE TERMINALS ARE CONNECTED TO A PDP-10 COMPUTER AT THE FIRST DATA CORPORATION IN WALTHAM, MASSACHUSETTS, WHERE THE RESULTS WILL BE COMPUTED AND A RUNNING SCORE FOR THE PAUL REVERE POINT TROPHY CALCULATED.

ACCUSPLIT II SPLIT-SECOND PRECISION DIGITAL STOP WATCHES WILL RECORD THE STARTING AND FINISHING TIMES OF EACH SHELL. THE TIMES FROM THE COMPUTER WILL REMAIN UNOFFICIAL UNTIL THE REGATTA UMPIRES HAVE HAD AN OPPORTUNITY TO REPORT COURSE RULE VIOLATIONS AND INVOKE TIME PENALTIES, AND UNTIL ANY PROTESTS RECEIVED WITHIN 15 MINUTES AFTER THE END OF EACH RACE HAVE BEEN RESOLVED.

THE

OARSMAN

Official publication of The National Association of Amateur Oarsmen

a keen eye

on the world of rowing

THE OARSMAN: 52 pages of prose and pictures published five times annually by the National Association of Amateur Oarsmen as a benefit to members — a magazine dedicated to comprehensive coverage of U.S. rowing at home and abroad.

Some Recent Articles

The Race that Everybody Wins - The Head '73; 1974 World-wide Regatta Schedule; Report of the 1973 National Team; Physiological Analysis of Oarswomen; The Eastern Sprints; Olympic Rowing Committee Reports; San Diego '74 Crew Classic; Report from the 1974 National Team Coach; Mid-west Junior Rowing; Seventh Miami Invitational; Editorial: A Gold on any Neck is Still a Gold; Henley '74;

Upcoming Articles

The World Championships Story; The Bride's Lament (or The Head of the Charles Blues); The New England Championships.

And Some Recent Prose

- * From "Harry's Secret or Seat Racing Explained" by Emory Clark:

"No, my crews have not won an Olympic medal or a National Championship or even the Head of The Charles, but they have won a state championship. Once. What matter if there was only one other school competing? And its coach trained its crews by having them pull rubber tires on ropes behind the boat? A technique not necessarily conducive to good spacing, but grand for building strong arms — the theory being, I suppose, that when the tires were removed, the boat would literally sail with the oarsmen's exuberance at being free of their anchor."

- * From "They Row for More than Glory" by John Powers (compliments of *The Boston Globe*):

"The hands are the giveaway. Everything else — the powerful shoulders, iron-bound forearms and lanky, but wiry thighs and legs — could easily belong to a basketball player. The hands are the trademark. Turn them over, palms upward, and you'll see a perfect row of calluses, four on each hand, just below the point where the finger joins the palm. Those are the identifying marks, the stigmata, if you will, of the oarsman. They crop up immediately after the first 2000 meter piece, and they stay there, hardening and raising up off the hand. You can't pull an oar four of five hundred times a day, six days a week, ten months a year without developing them. ... The rewards are meager — four or five victories, a handful of shirts, a Sprint or Intercollegiate Rowing Association trophy. Satisfaction, self-mastery, assorted aesthetic pleasures are the real goals. The feeling of doing something in concert with seven other men, hitting it at the same second, making a boat lurch up and out of the water, moving, gliding, faster, smoother towards some vaguely realized perfect moment."

- * From "Nobody's Sunshine Fools" by Dennis and Missy Kamrad comes a quote from a letter:

"...here is a sport that builds and develops bodies instead of tearing them down, that truly builds character by promoting the idea of giving instead of taking...the win-at-all costs philosophy is replaced by a spirit of accepting the joys and excitement of being pitted against an opponent as good or better, with the knowledge that there is no disgrace in losing if each has given everything he has to the last second, the last inch."

A Small Cost for the Excitement of Observing — and the Satisfaction of Supporting — America's Great Rowing Competitors

The fees shown below are for membership in the Association, as well as for the magazine subscription, and the funds collected are used annually in support of the United States rowing program. You will become a friend and supporter of U.S. rowing, you will gain satisfaction as a better informed follower of the rowing world by joining the NAAO, by subscribing to *The Oarsman*.

Membership Fee * for Competing Oarsmen \$4.00 per year — Non-competitors \$10.00 per year

*Includes the cost of *The Oarsman*

(A sample issue from 1974 may be purchased for \$2.00).

Make check payable to the NAAO and mail with your address to:

 Wall Street Journal
 Washington Post

ONE OF "THE TEN BEST AMERICAN DAILIES"

In its Jan. 21 issue, TIME Magazine ran a story on newspapers in which it listed its choices for the "Ten Best American Dailies". Alphabetically, here's what the list looked like: The Boston Globe, The Chicago Tribune, The Los Angeles Times, The Louisville Courier-Journal, The Miami Herald, The Milwaukee Journal, Newsday, The New York Times, The Wall Street Journal, The Washington Post.

In TIME's view, these papers are outstanding because they:

- "cover national and international news as well as news of their own communities..."
- "can be brash and entertaining as well as informative..."
- "risk money, time and manpower on extended investigations..."
- "offer a range of disparate opinion..."

In commenting on The Globe specifically, the TIME article mentioned several achievements under Editor Tom Winship...

- "A Pulitzer Prize for a campaign to block a federal judgeship for Francis X. Morrissey..."
- "Its Spotlight investigative team was awarded a Pulitzer for its 1971 expose of municipal scandals in Somerville..."
- It was the "Third U.S. Daily to publish excerpts from the Pentagon papers..."

Calling The Globe a "writer's paper", TIME specifically cited George Frazier, Music Critic Michael Steinberg, and sports writer, Bud Collins, the "best tennis reporter in the country."

TIME concluded its commentary on the newspaper this way: "Overall The Globe is one of the country's most improved papers during the past decade."

All in all, it was quite a compliment. Not only to us, but to you. For though there are any number of things that go into making a good newspaper, the one that's most indispensable is the loyalty of its readers. And though you and the more than one million other people who read The Globe every day haven't always agreed with what we've said or what we've tried to do, you've given us the kind of encouragement and support without which no paper can mature and grow, let alone survive. The point of this ad is really just to say thank you. And pass TIME's compliment to us along to you.
