AMERICA'S FALL ROWING FESTIVAL®

Welcome to the Head Of The Charles®

On behalf of the Regatta's Board of Directors, seventy-person Race Operations Group, Co-Race Directors Christopher Richards and Bernie Kuca, over 1,000 volunteers and the event's founding institution, the Cambridge Boat Club, I would like to take this opportunity to welcome you to the 39th edition of the Head Of The Charles.

To begin, I would like to recognize the leadership and hard-working staff of the Department of Conservation and Recreation (DCR) whose partnership with the event has made our rowing festival the world's most recognized "head" race. Our thanks go especially to Acting Director William D. McKinney and Director of Operations Brian Kerins for their continued support. The DCR's behind-the-scenes work enhances the Regatta experience for everyone.

We also wish to thank Mayor Michael Sullivan, the citizens of Cambridge, businesses and merchants alike for their willingness to welcome rowers and spectators from around the globe. Cambridge is a gracious host to thousands of athletes and visitors from afar.

Our deep appreciation also goes to our newest local Regatta Official Sponsor, Polaroid Corporation. Without their important financial support the Regatta could not operate suc-

cessfully. Please be on the lookout for Polaroid's "click crews" along the river, representatives who will gladly take a picture of your party using one of their latest products, the Polaroid One Camera.

Also providing strong financial and technical support in 2003 is EarthLink Wireless. As the Official Wireless Internet and Email Service Provider, EarthLink will assist Regatta operations by providing wireless on-site results delivery. This technology will allow more efficient delivery of race information to multiple points along the Charles.

Official Supplier support for this year's Regatta remains strong through the generous support Boathouse Sports, Born Shoes, Concept2, Delta Air Lines and Resolute Racing Shells. Each of these companies provide important contributions which helps the Regatta staff and operations. We are most grateful for their participation.

In closing, I wish to salute outgoing Board of Director members Steve Carr and K.C. King for their many years of visionary leadership; their contributions have truly made a difference. Finally, I wish all of our competitors good racing and a "safe and fair" path down the Charles during this weekend's events. We thank you all for your continued patronage.

Frederick V. Schoch, Executive Director

the STRENGTH to cross the Channel
the speed to break a record

The world's busiest sea lane couldn't slow this rower down

If you think the Charles River has its share of obstacles, try fending off container ships and ocean liners. On September 16, Guin Batten became the first woman to row solo across the English Channel. She also set a new time record while she was at it.

Resolute is proud to have been part of the team that helped Guin achieve this stunning success.

CHARITY PROGRAM

Since its inception in 1998, the Charity Program has generated over \$300,000 for very worthy causes. For the past several years, the Regatta has joined the competitors in their fundraising efforts, either matching the contributions \$1 for \$1 or making a sizable contribution to each charity. The Regatta will continue to support these efforts in 2003. The Charity Program is open to single scullers, doubles, fours and eights. Charity program entries are accepted in addition to the field of entrants so that no one's chances for entry are reduced by the acceptance of these participants.

The Official Charities are: **AccesSportAmerica, American Red Cross of Massachusetts Bay, Cambridge Community Foundation, Community Rowing, Inc., and The Home for Little Wanderers.**

The 2003 Charity Program Participants (rowers) are:
