A LETTER FROM THE BOARD OF DIRECTORS AND OUR PRESENTING SPONSOR, BNY MELLON

EDWARD SMITH, CHAIRMAN OF THE BOARD,
HEAD OF THE CHARLES REGATTA

CURTIS ARLEDGE, VICE CHAIRMAN AND CEO,
BNY MELLON INVESTMENT MANAGEMENT

Welcome to the 2015 Regatta! On behalf of the Regatta's Board of Directors, as well as everyone at our Presenting Sponsor BNY Mellon, we heartily welcome you to Boston for this year's running of the Head Of The Charles Regatta, the largest two-day rowing event in the world.

For the third consecutive year, BNY Mellon is proud to continue as the Presenting Sponsor of the Head Of The Charles Regatta and is equally delighted to support this iconic New England event in its fifty-first year.

In this pre-Olympic year and as rowing continues to expand both domestically and internationally, BNY Mellon especially is pleased to have a role in shaping both the Head Of The Charles and the historic Oxford-Cambridge Boat Race. Further, Newton Investment Management, a BNY Mellon company, also supports the annual Newton Women's Boat Race in the United Kingdom.

In 2013, working alongside the HOCR race directors, BNY Mellon established the inaugural BNY Mellon College Championship Trophy for collegiate competitors in the Regatta's Men's and Women's Championship Eights. The trophy is presented to the fastest college competitor in the Championship Eights Races. Last year, the winners were the Harvard University men and the University of Virginia women. Good luck to all competitors as they vie for top collegiate honors this year.

2015 looks to be another banner year for competitors as they line up to compete in 60 events. While there are scores of other domestic fall races, no other "head" race in America draws spectators the same way as the Head Of The Charles Regatta. The confluence of over 600 universities, colleges, and schools added to the winding and challenging Charles River makes Boston the ideal host for such an event. Nowhere else in the United States can the audience get as close to the racing as one can here. As such, the rowers can enjoy the loud, appreciative shouts from family, friends and supporters.

Over the weekend, up to 350,000 enthusiastic fans will walk along the banks of the river to witness what has been dubbed the "Super Bowl" of rowing. With so many races to squeeze in during daylight hours, the racing will begin at 0800 and run throughout the entire day, culminating at dusk, both on Saturday and Sunday.

These Olympic, youth, club, and collegiate athletes, come from far and wide, even across the globe—hoping for favorable winds and fast turns and, most importantly, the prospect of a medal hanging around their necks when they leave!

Of note in 2015, please be sure to take a stroll to the Weld Boathouse area where you will find an array of companies engaging the audience and selling or sampling products. Multi-year corporate

partners such as Brooks Brothers, New Balance and Land Rover, three of our official partners, will be on hand, as well as a host of other new brands, showcasing their wares. Top brand such as Starbucks, 5-Hour Energy, Nature Valley, bPositive, Mazda and many more will be present.

Our thanks go to Co-Race Directors Bob Mannino and Bracknell Baker, as well as the rest of the Race Committee and the Race Operations Group for their meticulous planning to ensure the Regatta's success. We also wish to thank the nearly two thousand volunteers on Regatta weekend who donate their time and energy. Please take a moment to thank them as you see them along the riverbank!

We would also like to extend our appreciation to Cambridge Boat Club, host of the Regatta since 1965, and faithful supporter of the Regatta in countless ways. The Cambridge Boat Club serves as Regatta headquarters for Race Operations, including all timing, communications, media, volunteer lunches, sales, announcing, first aid, live broadcast, information & results and umpiring functions.

Finally, thanks also to the DCR and the Board of Directors of the Regatta for their continued hard work, particularly as we enter the second half-century. The Head Of The Charles holds a special place in Boston and Cambridge and we welcome rowers and spectators from around the globe to enjoy it with us!

Row well,

SHELL CONSTRUCTION

Rowing shell construction has greatly evolved since the days of entirely wooden boats. Today's boats are considerably lighter and stiffer, thanks to the use of space-age technology such as aircraft aluminum, carbon fiber and honeycomb construction.

FROM NEW YORK TO DC TO BOSTON.
TO THE CHARMING SQUARES OF CAMBRIDGE.
OUR BEST WORK IS OFTEN FOUND IN OUR BACKYARD.

At Normandy, we are known for our commitment to excellence and focus on delivering results. But it's our dedication to developing relationships that really sets us apart.

We proudly partner with organizations like the Head Of The Charles® Regatta to look for ways to further advance the community. Though our 12 million sf portfolio may feel global in size, our success will always be rooted locally.

A MESSAGE FROM THE EXECUTIVE DIRECTOR

FREDERICK V. SCHOCH

This year is a particularly significant one for me, as it marks my 25th year as executive director of the event. When I reflect on the last quarter of a century, I am proud of the progress we have made in developing the Regatta and making it an example for other races to follow. Just as important, I cherish all the many fond memories of working side by side with other passionate rowers who band together to help host this epic Regatta. It is this collaborative spirit that makes the event a success. The leadership provided by the HOCR board of directors is to be commended along with scores of other individuals who have dedicated decades of imagination and toil to running this race.

We are very excited this year to announce the sale of our recently completed book, *The Head Of The Charles Regatta: First 50*. This stunning, coffee-table quality book not only gives a colorful pictorial history of past Regatta highlights, but it also provides a sometimes playful and concisely written history authored by John Powers, long-time Boston Globe sports writer. Please stop by one of our sales kiosks selling the official book on site and either order one to be mailed to your home or carry it off with you this weekend.

Another exciting addition this year is an off-shoot of last year's 50th Gala Reception and Dinner. Due to the overwhelming success of the gathering in '14, the board has authorized a new event on Saturday evening. There will be a reception for the entire rowing community and

our friends in the *AttagerRow* tent, located at the FALS area just upstream of the Eliot Bridge. Tickets can be purchased at the "door" so feel free to join us.

BNY Mellon Investment Management, returns in 2015 as our Presenting Sponsor and the official investment services partner of the Head Of The Charles Regatta. BNY Mellon, a passionate believer in the values taught by rowing, will also provide trophies for the fastest College crews in the Men's and Women's Championship Eights. Our special thanks go out to BNY Mellon Vice Chairman & CEO, Curtis Arledge, for his commitment to our event.

Brooks Brothers, the Official Premium Apparel Sponsor of the HOCR, will again offer two retail shops along the river and will sell co-branded clothing that will be popular with all attendees. Its tents draw large crowds of students, parents and alumni all weekend long.

New Balance, our Official Athletic Apparel and Footwear, will also have a retail shop at the FALS area. Stop by to pick up a pair of the latest HOCR New Balance sneakers and to browse a wide variety of co-branded athletic apparel. Hurry, they are sure to sell out quickly!

Land Rover, will return for a second year to engage automotive enthusiasts and showcase their latest line of luxury vehicles. Stop by one of their locations on site to speak with a product specialist and sit behind the wheel of a brand new model.

EMC continues to boost the Regatta by providing all-around support for athletes and infrastructure. We thank

LAST TEN STROKES/ CONTINUED

Vice Chairman Bill Tueber and his team for sticking with the Regatta these many years.

One of the busiest areas of the entire Regatta is the Weld Boathouse Display near the Anderson Bridge. Here you will see an array of brands including Shell Fuel Rewards Network, Starbucks, 5-Hour Energy, B Positive, Brookside, Nature Valley, Power Home Remodeling, Tropicana, American Flatbread and the Star Market Food Pavilion.

A group of very important in-kind sponsors also help ensure the success of the Regatta. These include but are not limited to: USRowing, The Lenox Hotel (our official hotel), Greater Media Boston, Ruth's Chris Steak House, Towerstream (official wireless provider), RegattaCentral, Regatta Master, and Gentle Giant Moving Company to name a few.

Finally, we wish to thank Commissioner Carol Sanchez, Director Nicholas Gove and Janice Parlon, Manager of Special Events of the Massachusetts Department of Conservation and Recreation (DCR), for their continued support and partnership, without which the Regatta could not go forward.

Finally, special thanks to Race Directors Bob Mannino and Bracknell Baker, as well as our efficient Race Committee and Operations Groups, for working year-round to make this weekend a success. Good racing to all competitors and may your experience this weekend be memorable and fun!

We will look for you again in 2016 on October 22nd and 23rd.

All the best, 

F. V. Schoch

FREDERICK V. SCHOCH HAS BEEN THE EXECUTIVE DIRECTOR OF THE HEAD OF THE CHARLES SINCE 1992.
