## A LETTER FROM THE BOARD OF DIRECTORS

**BLAIR CRAWFORD**, CHAIR OF THE BOARD,  
HEAD OF THE CHARLES REGATTA

On behalf of the Regatta's Board of Directors and our Presenting Sponsor BNY Mellon Investment Management, we welcome you to Boston for the 2021 Head Of The Charles® Regatta (HOCR), the largest three-day rowing event in the world.

During this challenging time of re-emergence from a global pandemic, the HOCR is hugely grateful for BNY Mellon Investment Management's continued support as our Presenting Sponsor. Their anchor role is essential to the underpinning of the Regatta's financial stability without which we simply could not operate. Pivoting off 2020 in which all of rowing took a pause, there is incredible excitement amongst all rowers that the Regatta is ready to welcome athletes from across the globe.

In addition, we wish to thank Vineyard Vines, our official style sponsor, entering their first year as our apparel partner. We look forward to working with their team for many seasons to come. A well-recognized New England brand Vineyard Vines

## WELCOME/ CONTINUED

co-branded merchandise will certainly be a hit with our spectators and athletes.

We are also pleased to welcome Ford Motor Company to our partner ranks as well as continued support from Delta Air Lines, Sierra Nevada. These building blocks of support are important to the event and we thank them deeply for their engagement.

The Regatta is also very aware and grateful for the immense role that the Department of Conservation and Recreation plays in the planning and execution of the event. Thanks to Secretary Theoharides and Commissioner Jim Montgomery for all their guidance and oversight. We look forward to a continuing our role in the important custodianship of the environment.

Importantly, we would like to express our deep gratitude to Race Directors Natasha Strom and Ami Mehr, as well as the rest of the Race Committee and the Race Operations Group for their year-long planning to ensure the Regatta's success.

We also wish to recognize the nearly 1,800 volunteers who donate their time and energy on Regatta weekend. Finally, we would like to extend our appreciation to the Board of Directors of the Cambridge Boat Club, the host club of the Regatta.

In closing, we wish all competitors flat waters and strong tail winds as they navigate one of the world's most challenging "head" courses. It is the competitors who travel from around the US and the globe who truly infuse the Regatta with its spirit and energy. Good luck in racing and safe return travels to your home waters.

Good luck to all of our rowers.

Department of Conservation and Recreation

### A message from the Department of Conservation and Recreation

The Department of Conservation and Recreation (DCR) protects and manages nearly 500,000 acres throughout Massachusetts, and we call this vast portfolio of assets the “common wealth” because it is a treasure that should be shared. As the largest landowner in the state, DCR is responsible for lands that include state parks, forests, beaches, historic sites, reservoirs, campgrounds, and recreational facilities including the Charles River. DCR is privileged to again partner with the Head of The Charles Regatta (HOCR) this year as we welcome 11,000 athletes from 24 countries to Boston to partake in this time-honored tradition.

Since 1965, fall in New England has been to a great degree defined by the HOCR and the excitement it brings to the region. This spectacular event would not exist without the devotion and hard work of the staff and many volunteers who bring it to fruition. In what has been a challenging time, DCR especially wants to recognize your dedication this year. Thank you for everything you have done, and will do, to make the 2021 HOCR successful, safe, and fun for all who participate in these festivities. I would also like to recognize the DCR staff who work tirelessly behind the scenes before, during, and after the Regatta to make this event a highlight of the autumn season.

Once the HOCR is over, please consider visiting our other state parks where you can see the specter of our natural resources and enjoy other fall activities such as hiking our many trails. In the meanwhile, congratulations to all of this year's participants - enjoy the day!

## A MESSAGE FROM THE EXECUTIVE DIRECTOR

FREDERICK V. SCHOCH

Welcome to the 2021 Head Of The Charles Regatta! After a hiatus of nearly two years, we welcome you back to Boston and the Charles River. Our office team, board of directors, race operations team and volunteers have all been working hard to prepare for this year's event and we are very excited to be "back in business." Needless to say, it's a symbolic milestone to be able to host the rowing community once again and to see the joy on so many of your faces as you anticipate your trip down the river.

First and foremost, thanks to our Race Directors, Natasha Strom and Ami Mehr for their leadership over the last two years. The challenges of 2020 seem distant but planning for 2021 all remotely has been a unique experience, to say the least. Congratulations to both directors for your perseverance and patience during this cycle of Zoom planning. Thanks also to the HOCR team of Tom Martin, Mason Cox, Dan Beckham and outgoing director of operations, Priscilla Livingston. Priscilla's steady temperament and professional hand in the office will be sorely missed! A shout out as well goes to Carlos Ridruejo

and Joan Hewson whose skills we could not do without. Finally, thanks also to our managing directors who mentor us all and keep an eye on the big picture.

The Regatta is grateful for the support we receive from BNY Mellon Investment Management. We are thrilled to have vineyard vines step in as our official style for 2021.

Leadership is the key to any successful organization and the Regatta is grateful for the support we receive from BNY Mellon Investment Management. Our ability to execute the event on the scale and level of professionalism relies on a committed and long-standing Presenting Sponsor and we recognize BNY Mellon Investment Management for its role as our top partner.

With Covid's arrival and subsequent deleterious impact we lost many corporate sub-partners from the 2019 event who had been with us in the past. Of note is Brooks Brothers who reorganized last year but were unable to return to the Charles this

fall. One door closes and other opens and we are thrilled to have vineyard vines step in as our official style for 2021. Also, Ford Motor Company will assume the role of our official automaker. A new partner we welcome is the Omni Boston Hotel at the Seaport. I know many of you are taking advantage of their highly regarded new facility and will be well billeted over the weekend!

Other brands which have remained with us or are new are: Sierra Nevada Brewing Co., Gentle Giant Moving Co., LaCroix Sparkling Water, WhistlePig, T-Mobile, Hydrow, Valvoline Instant Oil Change and many more. We thank you all for your support.

Finally, a special thanks to our partners at the Commonwealth of Massachusetts, Secretary Kathleen Theohairdes and Department of Recreation and Conservation Commissioner Jim Montgomery. The staff of the DCR is instrumental to the smooth running of the venue on which the athletes and spectators gather and deploy and the Regatta is committed to supporting the mission of the DCR to improve and restore the Charles River banks on an annual basis.

**FREDERICK V. SCHOCH** HAS BEEN THE EXECUTIVE DIRECTOR OF THE HEAD OF THE CHARLES SINCE 1992.
