CELEBRATING OVER FIFTY YEARS OF PARTNERSHIP

The 2019 Head Of The Charles Regatta will take place on Saturday and Sunday, October 19-20, 2019. For more information call the Head Of The Charles general information number, 617 868-6200, visit www.hocr.org or email regatta@hocr.org

still actively rowing well into their 80s, and represent over 800 clubs and universities.

In addition to sponsoring the regatta, we are proud to award the BNY Mellon College Championship Trophies to the winning collegiate teams in the Men's and Women's Championship Eight divisions. Last year, the winners were the University of California men and the University of Washington women. Good luck to all the crews as they cover the course at full speed!

Importantly, we would like to express our deep gratitude to Race Directors Nick Lloyd and Courtney Wilson, as well as the rest of the Race Committee and the Race Operations Group for their year-long planning to ensure the Regatta's success. Thank you also to the Department of Conservation and Recreation and the Board of Directors of the Regatta for their continued leadership and support.

We also wish to recognize the nearly 2,000 volunteers who donate their time and energy on Regatta weekend. We also thank Brooks Brothers for their generosity in providing the highly sought-after volunteer premiums that have become a part of the fabric of our weekend. Finally, we would like to extend our appreciation to the Board of Directors of the Cambridge Boat Club, the host club of the Regatta.

In closing, we wish to thank the rowing community at large for its enthusiastic support of the event. It is the competitors who travel from around the U.S. and the globe who truly infuse the Regatta with its spirit and energy. Good luck in racing and safe travels to your home waters.

Good luck to all of our rowers,

Department of Conservation and Recreation

A message from the Department of Conservation and Recreation

The Department of Conservation and Recreation supports all forms of outdoor recreation, and is particularly proud to have DCR parklands once again serve as the venue for the Head Of The Charles Regatta (HOCR), one of the nation's premier displays of athletic prowess. Massachusetts is fortunate to have a wealth of rowing athletes and enthusiasts at its many colleges and boathouses who partner with the DCR to ensure the Charles River continues to serve them, and their sport, throughout the season.

An event like Head Of The Charles requires commitments and close communication by many parties, including DCR staff, public safety agencies, event staff and volunteers. Their collaboration makes it possible to host thousands of spectators along the river's edge and ultimately return the parklands to their original condition so regular users, including families and commuters, may continue to utilize its walkways, greenspaces and recreation areas.

The Head Of The Charles would not be possible without a network of partners who have been involved for many years, and I would especially like to thank the Head of the Charles Regatta organization, all event partners, and DCR personnel who will be assisting with operations throughout the day. We count on ongoing friend support from HOCR to restore and improve the banks of the Charles, the venue for this extraordinary event.

Massachusetts is blessed with the natural resources needed to host such spectacular events, and it is our shared responsibility to protect them. Please help us protect these important waterfront parklands by cleaning up after your stay and encouraging others to do so, too. Together, we can ensure Boston's natural settings remain beautiful for generations to come. Enjoy the Regatta!
